

CAMP HOT SHOTS

**“Making a difference in the lives of children and young adults with diabetes
TODAY so they can live a healthy life tomorrow”**

February, 2010

Dear Vendor,

Camp Hot Shots is approaching fast. On Tuesday evening June 8, 2010 from 6:00 PM to 7:30 PM we will be having a parent/camper orientation and vendor display. This is the sixth year this event will be held and is quickly becoming a highlight for parents and campers as well. This is an opportunity for you to display your products, interact with the parents and campers that use your products and contribute to the diabetes community that supports you and your company. A display fee of \$250.00 will support the camp and the children that use your products. Camp Hot Shots is a non-profit organization and depends on community support. Thank you again for supporting the children and Camp Hot Shots. For additional information contact:

Cory Harter at 712-435-9057 or email at camphotshots@aol.com.

Sincerely,
